WASHINGTON AFFAIRS

(Special to The Bulletin.) Washington, April 24.—First Assistant Postmaster John H. Eartlett of New Hampshire has thrown down the gauntthe scarcity of rents and the attitude of League and proposes to cross swords with the coming conference here. Mr. list for the situation. Caught between Bartlett believes the president of the United States should be surrounded by men of his political faith and own choosing. He believes civil service should be strangle hold. letails and experience count for more Great would be the surprise if it could the policies of any political party. This has known how many automobiles were has aroused the ire of certain civil service reform officials and they have open-ly criticized Mr. Bartiett. He came back at them by saying he favored civil service so far as it aimed to carry out the intentions for which the civil service laws were created, and asked the opportunity to address the convention which is to be held here next Thurs-

ing about when it comes to post office requirements for he was postmuster of the city of Portsmouth, New Hampehire,

The American custom of handshak-ing becomes a somewhat arduous task or the president of the United States and "Mrs. President" at moments when lected before. I should be mortified to tears if he should come scan and find those thistles and sourdock still flourishisitors who are granted the privilege of those eing received at the White House. Take ing." ast week for instance, when the D. A. "I k. congress was in session at the same time that the Girl Scouts, the League of American Pon Women, the Woman's Auxiliary of the Pan-American scientific congress and a dozen or more other notable organizations were holding meetings here. To say that men, women and children came to Washington in droves would be retting it mildly. The president received such visitors at the rate of not less than 1,200 or 1,500 a day and fully 8,000 had the pleasure of meeting him during the week, without counting the big official reception at the White House to the army and many at which House to the army and mavy at which both President and Mrs. Harding received 4,000 official guests.

BEADED RIGHT AT LAST.

New York has been suffering from a crime wave. The head of the police department is reducted in their actions make the same as to crossly. But we keep for great the value of such is to a large degree measured by the kindness discourant kindness is an indicated in their actions make the same as to crossly. But we keep for great the value of such is to a large degree measured by the kindness discourant kindness of the value of the courts. It does little or as courtant kindness to an indicate of a liking such as they grow up, but it is not alone the could that account a dumb beast to who has occasion to appreciate the importance of defending the valueless creatings kind to animals should be presented and trained by a real court in the portance of defending the valueless creating and the police are being fur to work and the police are being directed to bring in the criminals. Along with it there is to be noted a much headed cooperation on the part of the courts. It does little or as member of the Children, was that made by a small girl who was a small shring of children at the repeatedly discharged or probationable that needs a timely reminder of the mistake of mistreature a dumb beast to who has occasion to appreciate the importance of defending the valueless creating kind to animals should be presented to be repeatedly discharged business. They have side tracked believely with a view to provide the courts have been doing a wholesale business. They have kind to animals as mother does when the court is have to be repeatedly discharged business. They have to be an animal hands with thousand.

LETTERS TO THE EDITOR

Mr. Editor: On Tuesday, April 18, ther spoesred in your super a letter entitled 'Against Bottle Milk." It stated the writer's opinion in regard to bottle milk versus milk from cans and gave the reasons for his preference for milk from cans. It pointed out every wrong method that could be applied in the handling of bottle milk. There is a wrong way as well as a right way of doing everything. But in the name of fairness to the milk dealers who do apply proper and modern methods, this letter is respectfully sun-

specified as to whether spek dather spots and other penal institutions. Fleischmann's fresh yeast

the intestines

HUNDREDS of men and women have already found free-dom from laxatives by eating Fleischmann's fresh yeast.

Doctors are now agreed that proper elimination of waste matter should be brought about by food. One doctor comes right out and states plainly that the indiscriminate use of cathartics is one of the causes of constipation.

increases the action of

Physicians all over the country are recommending Pleischmann's fresh yeast because it is a fresh food, rich in those elements which keep the intestines healthy.

Try it out for yourself. Begin today by adding 2 or 3 cakes of Fleischmann's Yeast to your everyday diet. Keep it up and see how normally and regularly your intestines act. You can get Fleischmann's Yeast fresh daily from your grocer.
